Attention:- All Scorers and Captains -

Thank you for your cooperation throughout the year in getting the scores and hi-lites to me promptly and accurately. On two occasions I failed to list high hitters, but it was called to my attention and was corrected in the following week's paper. Sorry about that and hope there were no more. The newspaper did the best job they have ever done in publishing our results. They didn't always get it in on the same day of the week but they published every item submitted to them. A big THANK YOU to them, Clell B uzzel, Ron Buckli and their people.

Sincerely,  
 John McFarlane, publicity
